Gloucestershire's Economic Strategy

An new economic strategy is being prepared for the county.

Key topics and priorities which feature in the new strategy will include:

- Zero carbon - the move towards a net carbon zero economy is one of the main principles of the economic strategy
- Inclusive growth - to ensure every resident and business has equal access to opportunities
- Skills and employment - drawing on the existing work of the county council, the district councils and GFirst LEP to reduce skills gaps in the workforce

Other key areas include supporting sustainable growth, ensuring businesses have the support they need, securing inward investment and improving access and availability to digital technology.

The transition to the green economy is an urgent priority for Gloucestershire and the aim is to meet the 2045 net zero emissions target while promoting economic growth.
