

A few updates

- Updates on changes to our merit system
- Our new ATL report
- An introduction to the Cloud School Parent App

DENE MAGNA

Leading : Learning : Training : Technology

Our aim

The central aim of Dene Magna is that each and every learner shall achieve their maximum potential.... and enjoy the process

Was our old system of giving merits really allowing everyone to do this?

So what has changed?

- Old 'merits' have been replaced - inconsistent
- Recognising the quiet students who always meet our expectations
- Recognising those who go 'above and beyond'
- An automatic ATL report that gives you vital information
- Better use of Cloud Parent App

Behaviour Descriptions Totals

You will get this every half term – either via email or on our App.

It will allow you to have more information on how your child is doing each day and it is separate from the academic progress reports

The Cloud Parent App

It's free and
available on
Apple/Google

It gives live
information

All reports and
letters will be
available on there

Log in using your
Progresso log in details. If
you have forgotten them
then email us and we can
help.

What will I see?

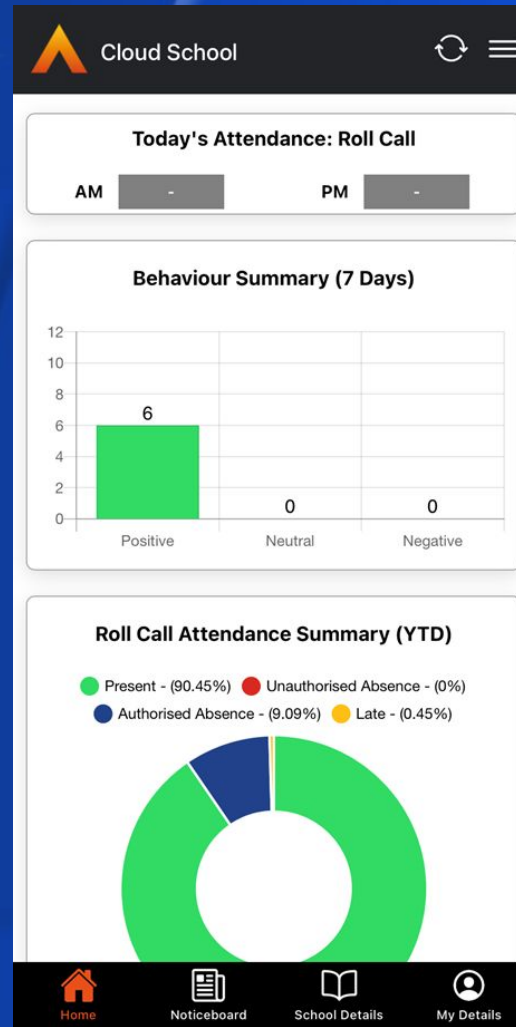

Live attendance info

Live
behaviour
information:

Any green =
Above and
Beyond

No red =
meeting
expectations
in all lessons
(our old merit)

Red = Demerit

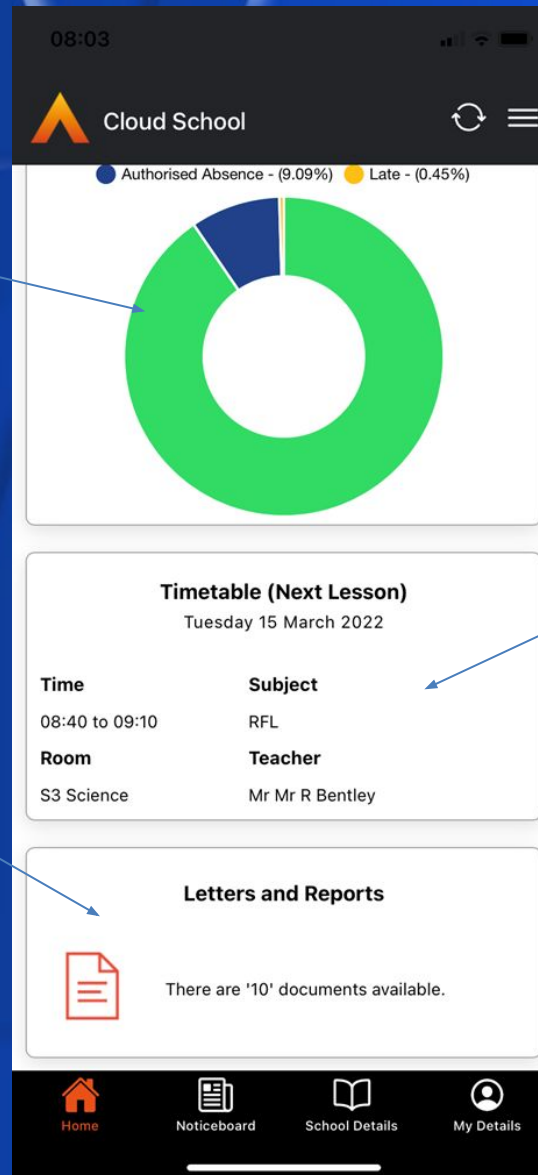

Example:

This student
has gone
'above and
beyond' 6
times in the
last seven
days

They have no
demerits and
because of
that, they
have met our
expectations
in every
lesson –
EXCELLENT!

What else will I see?

A breakdown of attendance that can click on to find more details

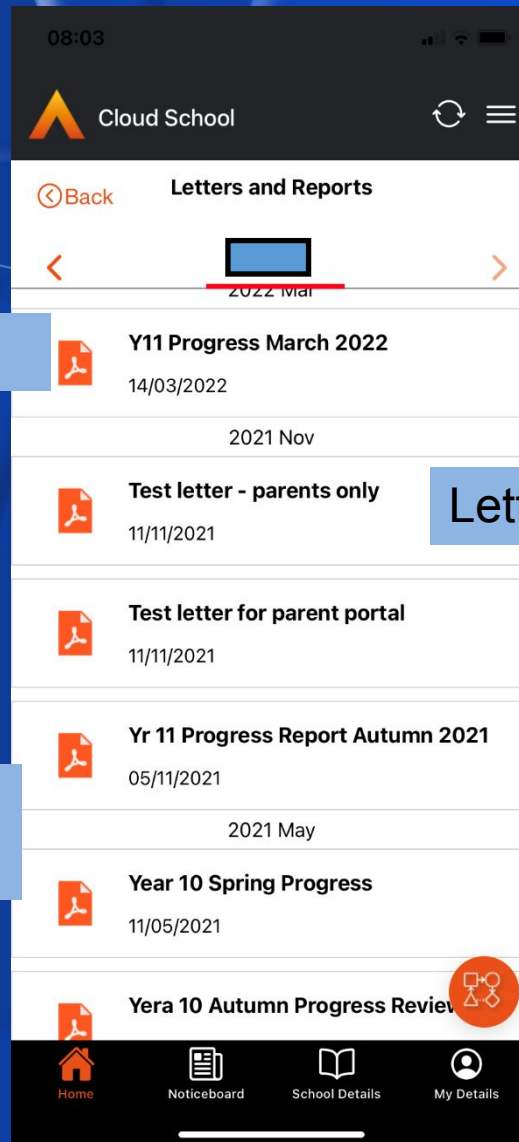

Live info on the timetable

Access to all of our letters and reports

What else will I see?

Progress reports

Letters

Important
information

How will it improve?

- You get to see live information
- Discuss the day at any opportunity
- Gives you valuable information on how things are going – dialogue
- Keeps everything in one place
- Enables you to recognise effort and dedication as well as the usual progress reports
- Replaces the ATL of old with a clear system

Next steps

- Download the App and log on
- Contact us if you need support for this
- First ATL report will go out at Easter – we welcome feedback on it!
- Have those daily conversations
- Remember that no red means things are going well and any green shows where things are going great.
