Dene 11 Special! Year 11 Magnifier

Clear views of ~~school~~ Y11 news....

Week one, a fantastic start

Week one of exams has flown by. Well done Year 11.

This year it has been a full on week with all three core exams (English, Maths and Science) as well as some students having their first 'two exam days'.

The students have been amazing. The invigilators, who have been doing this for up to 14 years, have fed back to me that this year group have been the best group ever. They have turned up on time, been well prepared and have put their all into exams and revision sessions.

Can I also thank staff, on your behalf, for the sessions that they have put on in between the exams. They are so valuable. It is great when students comes out of an exam saying that a question they went through with their teacher yesterday came up on the paper!

We follow the same pattern next week as this (Please see over). Can I please draw your attention to Wednesday afternoon. Science are putting on a special 'Physics Focused' session in preparation for Thursday morning. This will be for all students.

Can we please ask that you continue to avoid making appointments for your children during the school day. Students need to be in school at all times, whether they have exams or not. Every minute matters and students are to be congratulated on their hard work.

A big thank you to Miss Gardner for her hard work in setting up the 'end of exams celebration'

If you spot any emails from Miss Gardner please be assured that it will be an important one to read!!! It will explain what is happening, date, timings etc so keep your eyes peeled.

As always we are so proud to be Dene Magna!

Mr F Mitchell
(Deputy Headteacher)

You will see that each day has exams on. And that for some students this is a busy week.

'Big Breakfasts' - Give an opportunity for students to get themselves settled before exams. All students are welcome to attend these.

All Period 3s will finish at 12:20pm and Year 11s will be go to the Main Hall for Lunch. This will ensure that they can be secure in having lunch before any afternoon exams
