

	Autumn		Spring		Summer	
	Term 1 Topic	Why?	Term 2 Topic	Why?	Term 3 Topic	Why?
Year 10	<p>Introduction to mandatory Core RS.</p> <p><b>Peace and Justice:</b> war, law and punishment, human behaviour</p>	<p>Tragic events often happen in the world such as war and criminal behaviour.</p> <p>We need to investigate human behaviour, why people sometimes act in negative ways and how we deal with this as a society</p>	<p><b>Religion and Medical Ethics:</b> abortion, fertility treatment, 'designer' babies and genetics, euthanasia</p>	<p>These are ethical topics that people can find themselves dealing with in the course of their lives.</p> <p>We will find out about different religious and non-religious opinions on these issues and develop our own</p>	<p><b>Global Issues:</b> Environment, animal testing, refugees.</p> <p>We will explore view of different religions on our status as caretakers of the planet and our role in helping others</p> <p><b>Revision for mock exams</b></p>	<p>The Earth will be a different place by the time our young people are into their adult lives. We will discuss community responsibility for looking after others.</p> <p>Students will be freed up towards the mock exams and given the opportunity to revise for them</p>
Year 11	<p><b>Genocide:</b> A study of both the Holocaust and the Rwandan Genocide</p>	<p>As students mature, they are able to gain more understanding of these events and their impact over the course of the twentieth century.</p> <p>What lessons can be taken from these events?</p>	<p><b>Project Work:</b> students to independently research and present theirs and others views on a global issue.</p> <p>Formative assessment</p>	<p>Students will have had a lot of teacher-led discussion and input. This project will allow them to develop their independent working skills and follow a series of lessons in a topic of their choice</p>
