

TD/DE
7th May 2024

Dear Parents/Carers,

As we approach the summer term it is time for Year 10 to embark on their first set of trial exams. These will take place across all subjects; however the delivery of each exam will vary depending on the course.

All core subject (English, Maths and Science) exams will take place in the Sports Hall in June, to give the students their first opportunity to experience 'exam conditions'. These exams will take place after the other subjects and follow the timetable below. If any students are doing work experience, can they speak to myself as soon as possible.

Date	AM	PM
Weds 12th Week B	Biology	Maths 1
Monday 17th Week A	Eng 1	Chemistry
Tues 18th Week A		Maths 2
Weds 19th Week A		Eng 2
Thurs 20th Week A		
Fri 21st Week A	Physics	

Other subjects will have their Year 10 Trial Exams in lesson time in classrooms. Each student's teacher will run through the format of these exams as soon as possible so that all students know exactly what they are doing.

Students will be receiving an assembly from myself on the importance of revision and the best strategies to start in the next fortnight. Tutors will be helping them to build a revision timetable in RFL and this will be able to be brought home and followed.

The QR code below will take you to the current Year 11 Revision booklet, which will be a great place to start revision from.

https://docs.google.com/document/d/184nZYP6i1hCV0mMbHrbdZarII_mJrZbLp2WPPj2oLek/edit?usp=sharing

As we move into Year 11, there will be a parents/carers information evening where I will give more details about how we can make sure that every student has every opportunity to reach their maximum potential.

Kind Regards

Tom Derrick
Assistant Headteacher
