Dene 11 Special! Year 11 Magnifier

Clear views of ~~school~~ Y11 news....

And now it begins...!

Dear All,

What a beautiful morning and a perfect day for the exam season to start. Of course many exams have already happened, however now is when the 'exam season' comes into play.

Thank you to the RS and Drama students for giving us a superb start. They were all really smart, properly equipped and on time. On Friday we have the first 'whole cohort' exam with Biology in the morning.

Overleaf you will find the exam timetable for next week, just as a back up so that we are all aware of what is coming up.

From Monday we will revert back to our 'original' tutor groups and also introduce an early start for lunch for Year 11s. Throughout the exam period there will be 'Big Breakfasts' for the subject with the exam that morning and lunch sessions for the afternoon exams. These are a great way to calm nerves and see familiar faces prior to sitting the exams. Period 6s will continue.

This is a stressful time for us all: students, parents/carers, teachers and support staff. The important thing is that we are all working for the same outcome. The students have been amazing. They have worked hard and all want to get the best outcomes they can and we cannot compliment them enough on their approach, they are truly lovely!

As always, if you have any queries please contact your child's tutor. If there is an emergency on an exam day then please contact reception as soon as possible so that we can make sure that no student is disadvantaged.

All the best and thank you again for your continued support,

All at Dene Magna

As you can see this is a really busy week, with many students having “2 exam days”. When students are not in exams lessons continue as normal. All students must be in classrooms during lesson times.

P6s will continue throughout the exams.

| Date | Day | Subject |
|---------|--------------|--------------------|
