Dene 11 Special! Year 11 Magnifier

Clear views of school-Y11 news....

Week two...

Dear All,

It has been a really full on week and thank you to every student, they have approached each exam with a smile!

They have also seen the value of the work that their teachers have done for them. Often we have heard students say 'that exam was easy'. In each case we are able to point out that the exams were not easy, it is just that they are well prepared for them. Key to this is the lessons that continue and also the Period 6s.

A really good example of this is today. After the Maths exam this yesterday Mr Jones and the Maths team have analysed the paper and then narrowed down the topics that have still to appear to make sure that their revision sessions are focused on the remaining topics.

As well as keeping on going with high quality revision sessions throughout the exam period, we will also have some sessions over the half term. We will get the timetable for this out to you next week.

Overleaf is the timetable for next week. Please note that P6s continue throughout the week.

Celebration Day

Year 11 have a fun filled day planned for their last day on the 20th June. They will complete their final exam in the morning before attending a leavers assembly in the hall. This will then be followed with activities on the field including an inflatable assault course and other events that the senior students have helped select. For food, we have arranged for an external burger van to attend and we are in the process of distributing a menu. Heads of Houses, year 11 tutors and a range of staff will be there on the day to say goodbye to the year group. More details are to follow in regards to payment for food and the menu itself. If you have any questions in the meantime, please direct them to Miss. Graham or Miss. Eldridge.

Have a great weekend,

All at Dene Magna

When students are not in exams lessons continue as normal. All students must be in classrooms during lesson times.

P6s will continue throughout the exams.

Date	Day	Subject
20/5/24	Monday am	English Literature
	Monday pm	
21/5/24	Tuesday am	
	Tuesday pm	Child Development
22/5/24	Wednesday am	Physics
	Wednesday pm	GCSE PE
