Dear Parents/Carers

## RE: Year 10 Timetable Suspension 3rd-5th July 2024 - 10-2-11 Challenges

We are inviting all Year 10 students to take part in a number of challenges to help prepare them for their move into Year 11 and for independent life. We held an assembly this morning to talk them through this process and they have been handed an information booklet to complete.

Our students have a huge range of different life skills and experiences, so if you feel that some of these challenges are far too easy for your son/daughter please feel free to replace these with some challenges of your own.

Please see the attached leaflet for full details of the challenges. These can either be undertaken at home, or during the summer holidays dependent on the following:

- ❖ **For students who have already undertaken/booked their work experience:**  
These students are to complete these challenges at home from the 3rd-5th July. Please would you return the attached slip confirming that you are happy for them to stay at home on these dates and to undertake these challenges.
- ❖ **For those who are on their work experience that week or who have been unable to book work experience:**  
These students should complete these challenges over the summer holidays.
- ❖ **For students that have not been able to book any work experience**  
These students will need to come into school as usual (in uniform) on the 3rd - 5th July where they will undertake 3 days of careers related learning with myself, Mrs Rich. More details and permission letters will follow once final details have been confirmed but I am hoping that this will include two workplace visits.

Remember, for some students these challenges will be easy and are things that they are already used to doing. For others, these will be new experiences that they might find very challenging.

**A Parents Information Evening will be held on Thursday 20<sup>th</sup> June from 18.00pm in the Main Hall to give more information on this challenge.**

I'd also love to be sent photos of the students undertaking these challenges so please email me any that you and your son/daughter are happy for me to display.

Kind regards

Jo Rich
