# Year 11 Special! Donegal Magnifier

*Clear views of ~~school~~ Y11 news....*

## The Final Week...

Dear All,

So, we finally arrive at the last week of exams.

Many students have completed their exams, however there are still a few to go (see the timetable overleaf)

On Thursday we have our 'Celebration Day' which will involve our last assembly during period 3 and activities on the field across lunchtime and the afternoon. Students should come in to school at the beginning of break time on Thursday. They can wear non-uniform.

Please be aware that some students still have an exam on that day (Catering). Catering students can do the exam in non-uniform.

Often students wish to sign shirts. We suggest that they bring their old school shirts to be signed on the day.

It is important that Catering Students wait until after their exam to have anything written on their shirts as they will not be able to go into the exam with any writing on them or their clothing!

### Thank you

To each and everyone of you a heartfelt thank you for your support and hard work over the whole exam period. Each and every student has been a credit to their community and our school, we are all so proud of you!

Students must sign out if they are leaving after an exam and sign in if they are in school but do not have an exam.

Signing in sheets are located opposite the Staff Room on the main corridor
