

FM/DE

5th September 2024

Dear Parents/Carers

Firstly a huge welcome back after the summer break. Each student in Year 10 has made an excellent start to the year, carrying on from Timetable Roll Over at the end of last year.

As we make the transition from KS3 to KS4 there are a whole range of changes as we start our GCSE and Level 2 courses. To help parents and carers support their learners through that process we offer a range of Parent Information Evenings across Year 10 and 11.

The first of these, imaginatively titled 'Year 10 Welcome Evening', will be running from 5pm to 6pm on Thursday 12th September from 5pm to 6pm. All Parents/Carers are invited to attend, students do not need to attend, however they will be more than welcome if they wish to come along.

The session will allow us to give an overview of the KS4 courses, discuss how we can all support our learners to develop study and revision skills and habits and also look at issues around student welfare and stress (and how we can support each other through this too!)

We will also look at Work Experience and the assessment and intervention schedule across the two years.

We look forward to welcoming every Parent/Carer. It is a really powerful message from us all about how important the next two years are and also how serious we all are about ensuring they have every opportunity to achieve their maximum potential and enjoy the process.

Yours sincerely

F Mitchell
