

FM/DE
5th September 2024

Dear Parent/Carer

Firstly welcome back after the summer break. We have all been incredibly impressed by how Year 11 students have settled back into their learning routines over the last couple of days, it has been a pleasure to see them all.

We always start off Year 11 with an Interim Review (looking at progress across Year 10) followed by the first Year 11 Parent Carers Evening. This subject evening is on Thursday 19 September from 4pm to 7pm. Appointments are made through the "My Child At School" app, the link below gives information on the app and how to make appointments.

We cannot emphasise enough how important this evening is. It gives us an opportunity to set the scene and priorities for the year as we all work towards the best success we can achieve in our GCSE and Level 2 courses.

We very much look forward to seeing you all at this parents/carers evening.

Yours sincerely

Mr F Mitchell
Deputy Headteacher
