

WEEKLY PARENT BULLETIN – WEEK 2 Week Commencing Monday 9th September 2024

This week has had an Italian flair as we hosted 30 students and teachers from Milan as part of an exchange program organized by Miss Thomas in the Languages department. Our students have been wonderful ambassadors for our school community, and we thank them for their efforts.

Year 10 had an information evening where we discussed memory techniques, pastoral support, and work experience. All Year 10 parents will receive the presentation; please review the work experience section and speak to your child about their plans.

Year 11 Parents' Evening is Thursday 19th September, starting at 4:00 PM. I look forward to meeting all of you. To book an appointment, please download the "My Child At School" app. If you are unable to attend or book online, please contact Reception.

Our Open Evening is in two weeks, and as always, many of our students will support the event as ambassadors. They will need permission to participate, and if your child is interested, they will receive a letter with a reply slip for parents to sign.

Year 7, 9, and 12 students had professional photographs taken this week. You will receive a sample copy with instructions on how to purchase them.

On Wednesday, our Year 12 students participated in team-building exercises as part of their enrichment program and attended a talk about the Extended Project Qualification (EPQ).

If your son/daughter is interested in participating in the Duke of Edinburgh Bronze Award they can sign up to this by attending a meeting on Monday 16th September in the library from 12.30pm.

It has been great to see our clubs starting up this week, with many students taking part. Please see the list of clubs below and encourage your child to get involved.
