## The second week begins

A message from Mr Derrick:

Firstly, I would like to thank you for all your support with your children's preparation for their exams. It has been great to see the students' focus and determination throughout this week. It is important that now they go again as we move into the second week.

I would like to invite you to come in to celebrate the results morning on Wednesday 18th December. It would be fantastic to see you and for you to be there when the students open their results. It will also be a key moment for some discussions if needed before Christmas.

Results will be available from 8:00am to 8:50am before students will go into an assembly with Mr Mooney.

Members of staff will be around in the Main Hall and we will work hard to give it the feel of the 'real' results day in August. Students will be allowed access to their phones whilst they are in the Main Hall, so that they can contact you if you are unable to come in.
