

WEEKLY PARENT BULLETIN – WEEK 5 Week Commencing Monday 30 September 2024

Sports Update

It's been an exciting week for sports!

Our U16 Girls Football Team played in the ESFA Cup against Bishop of Hereford School – the girls played extremely well and worked their socks off against a talent team. Well done for Darcy B for scoring both goals. Ava M was voted by the opposition “Player of the Match”

Our Year 9 boys' rugby team had two matches—one away at Churchdown and another at home against John Kyrle. They played with heart and determination, with standout performances by Joel L for a fantastic tackle and Ollie E scoring a powerful try. Well done to all the players!

Our Year 7 boys' rugby team also kicked off their season with an impressive win against John Kyrle in their first match. Fantastic effort, boys!

Our Year 9 netball teams were equally successful in their matches against John Kyrle. The A team dominated, while the B team successfully winning against John Kyrle's B team and even gave John Kyrle's A team a run for their money. Huge congratulations to all involved, and a special thank you to the parents who came out to support!

Year 7 'Meet the Tutor' Evening

Thursday's 'Meet the Tutor' evening was a great success! It was lovely to hear how well our Year 7 students have settled in. We also welcomed staff from Mitcheldean Primary, who visited to check in on their former students earlier in the day — thank you to everyone who attended.

Year 12 Parent Information Evening

It was a pleasure to meet many of you at the Year 12 Parent Information Evening. For those unable to attend, the presentation and key information are now available on our website.

Upcoming Events

Tonight is our fundraising quiz for *Shrek the Musical*!

Thank you in advance for your support, more details regarding the production of *Shrek The Musical* will follow in due course.

Looking ahead, Enrichment Week (Yellow Week) is fast approaching. Over half of Year 10 will be heading off for their first work experience placements of the year, with another group set to go in the summer. We wish them all the best!

Years 7 to 9 will be participating in various trips during Enrichment Week, so please ensure all consent forms are submitted. Meanwhile, Years 11 to 13 will have targeted lessons focused on preparing for their upcoming exams, looking at careers and what is next for their future.

Thank you for your continued support.
