

ADC/DE  
7 July 2020

Dear Parents/Carers

The science department is busy looking at ways to close any gaps in student knowledge once we all return to school. We are planning a number of interventions to get our key stage 4 students back on track for their GCSE exams.

One way that we think might be useful is for students to have revision guides. We usually buy our revision guides from CGP Books and then make them available to students. However, given the circumstances this is not currently possible. As such, I thought I would send you links to the books we would recommend.

Please click on the appropriate link to view the resources and if your son/daughter thinks they might be useful you can purchase them directly from the site. Until the 31st July there is 10% off the RRP with the code LIST10.

We would stress that we do not want to put any student or family under financial pressure. If you wish to discuss any particular difficulties, please contact us through the usual means. Every conceivable care will be taken to ensure that any subsidies agreed will remain entirely confidential.

If you have any questions please do not hesitate to contact me

## Booklists:

- Combined science GCSE (foundation tier) book list <https://www.cgpbooks.co.uk/list?wishlistId=176>
- Combined science GCSE (higher tier) book list <https://www.cgpbooks.co.uk/list?wishlistId=144>
- Triple GCSE science book list <https://www.cgpbooks.co.uk/list?wishlistId=177>

Yours sincerely

Miss Clark  
Head of Science
