A LEVEL SOCIOLOGY

Welcome to A level Sociology

Sociology is the study of society. In this course you will explore topics such as education, family and media. You will also evaluate the methods that sociologists use to make conclusions about society. Studying Sociology will develop your analytical and evaluative skills whilst building your confidence in discussion and debate.

PREP TASKS

- Follow BBC News on your socials
- Create a Google Doc to save links to interesting articles about media, education, family
- Watch Educating Essex on Channel 4 (Whilst watching make sure to analyse: "I have noticed that...", "A question I have is...", "I wonder if...")
- Buy 3 folders (one for each paper)
