

SCHOOL GAMES PUBLIC SPEAKING

What or who has had the most positive impact on health & well-being over the past 12 months? This can be an impact on you personally and / or on wider society.

1. Pupils must write a speech of a maximum of 2 minutes outlining why they think their chosen person or initiative has had the most positive impact on the health and well-being on them individually and / or on society as a whole.
2. Teacher decision or class vote as to which are the best two speeches in the class
3. Video the two children delivering their speeches and send them to your SGO.
4. Please make sure you highlight photo permission or not as appropriate.
5. Each SGO will judge entries from all schools and send the top 5 from each district to a county competition.
6. The winning entry will be played at a School Games opening ceremony in the summer term dependent on individual permissions.
7. Please make sure you send your entries to your SGO by Monday 28th June.

Good Luck!
