Dear Parent/Carer

Y10 Trial Exams

As you are no doubt aware the Y10 Trial Exams are imminent and I, therefore, have pleasure in enclosing an exam timetable for your convenience and to help you support your son/daughter in their planning for each exam.

I would like to emphasise that these exams are incredibly important as they are not only practice runs for the real thing, but gives each student an insight into the process and areas where they need to concentrate on their revision. To help with this students will be focusing on revision in their lessons prior to their Y10 Trials. We ask that you support your daughter/son by structuring their revision time and ensuring they are as well prepared as possible. Further Trial Exams will be held during January 2020 to give them another chance to improve on these results.

The results from these exams will be given out and discussed with students during class. The results of the Trial Exams in January will be handed out like we do on the real GCSE results day and you will be invited in to support your daughter/son during that morning.

If you have any questions about these exams please do not hesitate to contact me.

Yours sincerely

Fred Mitchell
Deputy Headteacher
