

Subject Design & Technology – Technical Award Level 1 / 2 Hospitality & Catering

		Autumn		Spring		Summer	
		Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Year 11	Knowledge	NEA Task continued to be developed with assessment criteria a focus for lessons. Practical sessions will be used for the students to trial a product that will fit the theme set by the exam board annually		Practical work is formally assessed (60%) in Jan/Feb Students will then revisit knowledge to prepare them for the terminal exam worth 40% of the GCSE		Public Exam season	
	Skills	NEA tasks will continue with a view to begin manufacture of the students proof of concept model or prototype made to a high standard.		Practical work continued until assessment deadline.	Exam answering techniques explored further in preparation for the terminal examination	Public Exam season	
	Assessment	Exam answering techniques revisited in preparation for the trial exam.	Trial examination taken of a full Technical Award paper upon which students are marked with intervention sessions planned as needed for some students.	Formal assessment is recorded then the work is externally moderated by the exam board		Public Exam season
