

Physical Education Enrichment 2022

Dear Parent/Guardian

As I'm sure you are aware, the Wednesday afternoon enrichment session has gone from strength to strength over the past few months. We have had over 40 students go out and learn to ski and over 20 students who have been learning to play golf. We are now looking to develop the provision that we can offer during these afternoons and I have pleasure in sharing the plans with you via this booklet.

Please have a good look though the booklet and see what options are available for your son/daughter to take advantage of. Where there is a cost, please do get in touch if you need to discuss a payment plan or if you require any other financial assistance. It has been agreed that you will be able to pay weekly for these enriching activities.

You will see that we have a number of activities that go over a longer period of time as these are activities where the skill development needs time. These activities have been chosen as a result of speaking to the students and listening to what they want to do.

We also have one off activities that will be put on during the term. These are subject to change and can also be influenced by what students want to do during these one off activities.

Please make payment to the online system and note that payments need to be received by the Tuesday before the activity to guarantee the place and so we can confirm numbers with the venues. The payment system is all set up for you to either pay the full balance or to pay weekly for the activity.

The costs shown in the booklet are inclusive of insurance and transport to and from the venues. Students will always be back at school for the end of the school day and will travel home in the normal way.

As always, if there are any questions that you have, please feel free to get in touch with me. My email address is p.griffiths@denemagna.gloucs.sch.uk or you can call me on 01594 542370.

I look forward to seeing the enrichment take off to another level in January.

Kind Regards

Paul Griffiths

A handwritten signature in black ink, appearing to read 'P. Griffiths', is shown within a light grey rectangular box.

Dean Laser Clay

6 Weeks £45

£7.50 per week

Dean Laser Clay Ltd is a family run local business based in the beautiful Forest of Dean. The main focus of Dean Laser Clay is clear: To get people taking part in outdoor leisure activities instead of being stuck in front of a screen 24/7.

Acknowledging people's love for technology, Dean Laser Clay uses the latest product in Laser Clay Pigeon shooting from Lasersport International to ensure all participants have the best time possible participating in this accessible leisure activity.

Our friendly family run company have decades of experience between us in dealing with all kinds of customers so you can rest assured you will be in the very best of hands for the duration of your event.

Battle Sports

5 weeks £100

£20 per week

If you have ever played and enjoyed indoor laser quest, then BattleSports Laser Tag will take you to a whole new level!

Outdoor Laser Tag is the perfect activity for 'Gamers'. It is an immersive real life combat activity which gets players outside and active. Whatever your age or ability you can play laser tag.

Players are put in to two teams and kitted out with the very latest digital laser tag weapons. All weapons have a red dot scope, full colour screen and instant player feedback. Great for showing off your skills to your fellow team mates!

Two teams battle it out on our purpose built battlefield. Diving behind cover, hiding out in woodland and taking control of the enemy bases.

Games usually last 2 hours and on average players can burn up to 500 calories. Great exercise without even knowing it!

SELF DEFENCE CLASSES/ MARTIAL ARTS
